CC Parties Per Attachment 1 to the Proof of Service

Question:

39. How many disconnected residential customers did the Company reconnect in advance of the following dates in 2026:

- a. January 20, 21, or 22;
- b. February 4 or 5;
- c. June 10 or 11;
- d. July 1 or 2; and
- e. July 13, 14, or 15.

Response:

The Company used a 30-day lookback period to identify disconnected residential customers. A customer was included if the customer had been disconnected within the 30 days preceding the applicable event period and was subsequently reconnected by the end of that event period. Based on this methodology, the results are as follows:

Event Period	Customers Reconnected
January 20–22, 2026	4,052
February 4–5, 2026	734
June 10–11, 2026	7,588
July 1–2, 2026	3,793
July 13–15, 2026	1,566
Total	17,585
